Jerymy Brownridge
Private Secretary and Executive Director
Office of the Lieutenant Governor
Government House
1401 Rockland Avenue, Victoria
British Columbia V8S 1V9

Dear Mr. Brownridge,

I am writing on behalf of the Rockland Neighbourhood Association to express our delight upon learning of your appointment by Her Honour to the positions of Private Secretary and Executive Director of Government House.

We understand that the process to replace Colonel James Hammond in those positions, following his resignation in September, was arduous and thorough. It is a fitting tribute to your dedication and service to the Office of the Lieutenant Governor that your candidacy was successful. Your appointment is richly deserved. Congratulations.

We are proud to have Government House as the defining feature of our neighbourhood and feel most privileged to have had the friendly, approachable connection to it through you. We much appreciate that you have made yourself available to us when required.

Sincerely,

Janet Simpson
President
