June 12th, 1010 Moss St 6:30 PM

Present: Art Hamilton, Sandra Jackman, Patricia Kidd, Dave Clarke, Carollyne Yardley,
Marnie Coulter,
Guests: Janet Simpson, Marg Gardiner

Councillor's Report

Traffic:

Glenlyon - Norfolk School CALUC meeting

Cascadia, "architects who listen"

Underground parking, access off Madison and off Richmond.

Children at grade 12 can drive.

Fairfield LUC rep didn't understand private school rules change vis a vis contracted behaviour. School can police behaviour outside of the school grounds, unlike public schools. Neighbours can expect good parking and driving behaviours.

Gonzales had a meeting

No staff were able to attend, but MG and Matt Dell did.

GNS person was there too,

Richardson development, daylight issues for the next door property

O C P report on family housing will be out this Thursday

Dated January 25th. Missed the Feb 8th date

FSR of 3 was recently put forward.

3 changes to OCP

1. Consult on FSR up to 3.0 in the General Urban Fabric

Parcel consultants.

Family sized housing report

On council's agenda

Email re access to Moss Rocks Park, east side. (DC reported to MG following the meeting)

Crystal pool will be rebuilt on site if it passes the referendum.

Water Park, using a new \$500k fund. Turn it into a slush fund.

One off, for special new events. Eg Hockey Day, ..

Change the eligibility criteria. Decision over who approves.

Rockland Neighbourhood Association
Board of Directors Meeting
June 12th, 1010 Moss St 6:30 PM

Want ongoing funding
Feasibility of OCP changes.
Good maps showing Rockland as high density for rentals, etc.

Father's Day event at Point Hope Shipyards open house

Heavy industrial tax rates went up hugely, and got rolled back to appease RalMax, and it cost residents 2% on their taxes.

VCAN

Community mapping project

Met in person, walking tour, each Neighbourhood attended except Fairfield who were hosting a separate event.

Send North Jubilee emails to Andrea.

Methods for each Neighbourhood to map their priorities for Garry Oak biodiversity nodes and linear parks

Covenants, ecosystem restoration
Ground truth existing Garry Oaks.

Greenways at risk in the new OCP
Run the old greenways map, against what's proposed to do a comparison.

DC and CY will sign the contract for Landen.

Land Use

The proponent for 1320 Purcell are going to take their proposal unchanged to council, despite the staff recommendations.

Land use survey went out to members
50 responses to date, with a deadline on the 24th , then send it wider and keep results separate.

Membership Currently we have 205 members

Craigdarroch "Much Ado About Nothing" with contemporary language staged on Craigdarroch lawn.
